Recognition as a Full-time Evangelist for Rebate Purposes

A recognized full-time evangelist is required to pay tithes to the District on his ministerial income. If the evangelist attends General Conference, 50% of his accrued tithing is returned to him two weeks prior to the Conference to assist in defraying expenses. An evangelist MUST attend the Conference to qualify for this rebate.

I would like to be recognized as a full-time evangelist in the South Texas District. I agree to support the District with my ministerial tithing, and any rebate I receive for General Conference will be used to defray my expenses to travel to the same.

Evangelist's Housing Allowance

An evangelist is generally considered to be self-employed, but he is also entitled to a housing allowance pursuant to the Internal Revenue Code, Section 107. The South Texas District board is able to approve housing allowances for evangelists. It is understood that the evangelist is responsible for keeping and maintaining records to substantiate the housing expenses.

I would like the South Texas District Board to establish a qualified housing allowance for me at a maximum of \$_____ per year. I would like this amount to remain in effect each year unless amended at a future date.
