# HELPFUL GUIDELINES FOR CHILDREN'S WORKERS

*(Please review with all adult chaperones.)*

## Successful Discipline – *Discipline with a Smile*

1. **Follow the three warning rule:**
  - a. First give warning for inappropriate or disrupting behavior.
  - b. Second, if the problem continues, have the child stay with you and lose privileges for as long as you determine.
  - c. Third, if previous two solutions do not help, bring the child to your church leader or a member of the South Texas Children's Ministries team for further discipline.
2. **Discipline in Love**
3. **Don't blow up.**
4. **Don't destroy their dignity, using ridicule, shame, or sarcasm.**
5. **Allow kids to be kids.** (It's alright for kids to act crazy sometimes, as long as they don't enter into an area of comprise, such as dangerous behavior or rebellion to authority.)
6. **Let them know what you expect out of them.**
7. **Don't be afraid to confront inappropriate behavior.**
8. **Discipline is for the benefit of others.** One person should not ruin the experience for others.
9. **Give the benefit of the doubt.** Ask yourself, was the conduct willful or just careless. Careless behavior may just warrant words of caution, not actual punishment or deprived privileges.
10. **Don't be afraid to ask for help.**
11. **Get the story straight.** Hear both sides before administering disciplinary actions.
12. **Pray after discipline.** This will let the camper know that you care about them.

## Dorm Supervision

1. **Curfew:** each leader is responsible to see that all campers in his group are accounted for and in their dorm by curfew.
2. **Lights out:** once a time is determined for 'lights out' by the dorm leaders, children should respect this time and not be disruptive.
3. **Leader Presence:** there should always be adult leadership in the dorms if children are present.
4. **Special Medical Cases:** be aware and make nurse aware of any pre-existing physical conditions of campers in your group
5. **Be Sensitive to Others**
6. **Personal Items:** consistently remind those in your group and dorm not to leave personal items or valuable unattended
7. **Cleanliness:** all leaders monitor dorm cleanliness and see that areas are kept neat and presentable
8. **Keep your eyes open:** some children may make plans for a late-night 'rendezvous' after curfew. Leaders should strategically position themselves by the doors of the dorm to prevent such attempts.
9. **Stop things when they first start:** All leaders should be sensitive and quick to put a stop to any friction or inappropriateness
10. **Don't Overlook Anyone:** Make sure that *everyone* feels a part of the group. Don't let anyone be an 'outsider'.
